

PUBLIC NOTICE
REQUEST FOR PROPOSALS (RFP)
RFP No. LEAP-2026-004
Emergency Generators

April 24, 2026

LEAP Social Enterprise Inc. is requesting competitive proposals from qualified and legally established vendors for the **procurement, delivery, and complete installation of emergency generators** for several LEAP school campuses located across Puerto Rico.

Project Overview:

This project includes the supply and full turnkey installation of high-capacity emergency generators for five school sites. The scope of work includes the purchase, transportation, installation, interconnection, testing, and commissioning of the units, as well as all necessary electrical and mechanical work to ensure full operability. The generator specifications and locations are as follows:

- LEAP STEAM Academy of Ponce – 400 kW
- LEAP STEAM Academy of Dorado – 230 kW
- LEAP STEAM Academy of Trujillo Alto – 230 kW y 40kW
- LEAP STEAM Academy of Isabela – (2) 100 kW

This project is financed, in whole or in part, with **Federal Funds**. Therefore, strict compliance with all applicable federal procurement regulations and award conditions is required.

RFP Availability
